After all, he might be the only guy in Atlanta humble enough not to get carried away with last season. Matt Ryan #2 QB Atlanta Falcons Check out this interview as Stover recaps his time in Charm city. Gonzalez has caught more passes than any tight end in history. The Falcons completed fewer passes to their tight ends than any team in the league last season. It's safe to look at what Atlanta's offense did in 2008 and say Gonzalez was the only missing link. Blank,nfl saints jersey, who went through hell with Vick,nike nfl,nike nfl gloves, shouldn't have to worry about Ryan's humility. This guy is as grounded as they come and last year's success hasn't changed him a bit. Ryan was remarkably smooth on the field and off it last season. He still is the same guy. He went on to explain that he's still carrying 220 pounds,nfl giants jersey, but he's carrying it a little differently. Drafted third overall,university of michigan football jersey, he instantly was asked to make Atlanta forget about the mess surrounding Michael Vic Retro jordans for sale k and the fiasco that was the Bobby Petrino coaching tenure in 2007. From the day he walked into Atlanta to the day the Falcons lost in the playoffs, Ryan had to be the face of a franchise under intense scrutiny. He seemed to handle it flawlessly, but Ryan admitted Friday he was ready for a break after last season ended. Just about everything else is back on offense and better than it was a year ago at this time. Receivers Roddy White and Michael Jenkins and running back Michael Turner all had breakout seasons. The offensive line,hockey jerseys, which seemed like it was overachieving early last year,nfl jersey size, is pretty much intact and should keep improving. Ryan's spent the bulk of the past two months working very hard with the team's strength and conditioning staff. He's added muscle and said he's in much better physical condition than he was a year ago. 2008 STATS YDS CMP% TD INT RAT 3,buy nfl jerseys,customized nhl jerseys,440 61.1 16 11 87.7 3. The offense is better. Well,nike pro combat nfl, there is one significant change to the offensive roster. That's tight end Tony Gonzalez,nhl jersey cheap, acquired in trade with the Kansas City Chiefs a few weeks ago. "I've noticed that,all nhl jerseys,nike nfl 2012, too," Ryan said with a laugh. There were suggestions late last season that Ryan was h

Cheap basketball shoes itting the traditional "rookie wall." He still disputes that, but admits he feels better now than he did at any point last year. But that might not be all about physical strength. There's a bit more balance in Ryan's life now. It's not like last season when he was learning a new offense and getting used to a new city. The coaching staff — notably offensive coordinator Mike Mularkey and quarterbacks coach Bill Musgrave — has remained largely intact and the playbook hasn't changed. Neither has the roster. The defense didn't always get off the field when it should have and Ryan and the offense had to pull out some games. But there have been huge changes on the defense and Smith and VanGorter now have their kind of players. They didn't have that luxury last year when they spent their early focus on offense, bringing in Ryan,authentic nfl jerseys, Turner and left tackle Sam Baker. This year's offseason has been all about getting younger — and better —

on defense with rookies Peria Jerry and William Moore as the top two draft picks. 1. He's stronger. If you haven't seen Ryan for a while — and the last time I saw him in person before today was after the playoff loss to Arizona in January — he appears leaner. "My goal was to get a little stronger physically, a little t new jordan shoes ighter and just in better shape overall," Ryan said. An encore of that 11-5 season probably would be good enough for Atlanta fans every year. But that's not nearly good enough for Ryan. He truly believes last year was just a start. Ryan's a bit of a workaholic and is known for spending a lot of time studying film. After his vacation,make your own football jersey, he's gotten back into that routine, but also has managed to take a few trips back home to the Philadelphia area to visit family and friends. "Any time you add a first-ballot future Hall of Famer to your team,seahawks new uniforms,edmonton oilers hockey jersey, you've gotten better,leaked nike nfl uniforms,ncaa jersey," Ryan said. Tweet Tweet 2. He's been through it before. While Ryan's been working his body,oregon football jersey,chinese nfl jerseys, he's been resting his mind. That's a good thing because no matter what happens the rest of his career,kids football jersey, Ryan's never going to face a more difficult situation than last year. "I learned a lot about a lot of different things and I think that will serve me well heading into this season,nfl womens jerseys," Ryan said. "I took a little vacation and was down in the Virgin Islands for 10 days and kind of got lost on the beach

A few minutes after finishing my interview with the quarterback,new nike nfl jerseys 2012, I picked up a Falcons publication and read an interview with team owner Arthur Blank. He was asked about Ryan's future and made a comment about how he thinks it's important for the quarterback to keep his humility. Posted by ESPN.com's Pat Yasinskas FLOWERY BRANCH,nfl youth jerseys,nike nfl jerseys 2012, Ga. — Prepare yourself for the least-glowing review you'll ever hear about perhaps the best rookie season ever by an NFL quarterback. "It was a good start,personalized nfl jerseys,nfl uniforms, that's all,nike nfl uniform," Matt Ryan said Friday afternoon as he sat on a porch overlooking the Atlanta Falcons' practice fields. "You have to understand your role on the team,nfl jersey size chart," Ryan said. "As a quarterback,nike nfl pro combat uniforms, you have to be able to distribute the ball to the guys around you and try to put them in position to make plays. Fortunately, I think I've got some great guys out there who can make some plays. My focus has been on doing my job and not doing anything more or anything less — just distri

Retro jordans for sale bute the ball and put those guys in good positions." 4. The defense will make Ryan better. Let's be real honest here. Despite a playoff run, Atlanta's defense wasn't all that good in 2008. Linebacker ofile?playerId=1448" target="_new">Keith Brooking,texas a&m football jersey, safety Lawyer Milloy and defensive tackle Grady Jackson were old and coach Mike Smith and coordinator Brian VanGorter squeezed every ounce of talent out of their defense. With a short week ahead fans are ready to move on to the Thanksgiving match-up between Harbaughs. But I felt like not enough time was given to the induction of Matt Stover into the Ravens Ring of Honor last Sunday. Stover may be one of the most popular Ravens all-time,womens football jersey, which may seem odd for a Kicker. While the rest of the world uses the word "great" or something more elaborate to describe last year, Ryan almost shreds it. He came to a team that was supposed to be the worst in the league, threw for a touchdown on his first pass and kept growing all the way to the playoffs. That attitude and a whole bunch of other things are the reasons why there will be no "sophomore slump" for Ryan. He's only going to keep getting better. Here are five reasons why: Al Messerschmidt/Getty Images As impressiv

[+] EnlargeAP Photo/Darron CummingsColorado's Nate Solder recorded the top 40-yard dash time among offensive tackles (5.05).Among all the angles I encountered in Indianapolis, one of the more intriguing is Colorado offensive tackle Nate Solder, who has a mammoth frame combined with high-end athleticism, a combination that could put him into play for multiple NFC North teams. He would be a nice value pick at No. 12 for the Vikings, who might want to start a succession plan for left tackle Bryant McKinnie or challenge right tackle Phil Loadholt. The Detroit Lions could target him at No. 13, as several early mock drafts have suggested. And there is no doubt the Chicago Bears would benefit from a left tackle prospect of Solder's level,buy nhl jerseys, even if they have to trade up to do it. A converted tight end, Solder measured 6-foot-8 1/4 and a lean 314 pounds. Despite his frame,nfl jerseys authentic,new nfl jerseys, he also recorded the top 40-yard dash time among offensive tackles (5.05) and had the best 10-yard split among all offensive linemen (1.63). (As Scouts Inc. points out,football jersey for dogs, the 10-yard split measures an offensive lineman's burst and explosion.) Need more numbers? Solder was tied for the third-best vertical jump among offensive linemen (32 inches) and the third-best broad jump (9-2). His bench press results were disappointing — he managed only 21 reps of 225 pounds — but it's safe to say he still needs to fill out his frame. So we know Solder is an athletic specimen. But can he play? That's what I asked ESPN analyst Todd McShay during a break in the action this weekend. "The biggest thing with him is his ability to move laterally and bend," McShay said. "He plays high too much of the time and you see him get in trouble when he does. But he's close. If he sale jordan shoes gets with a good coach,football jersey sizes, he could be a good starting left tackle for a long time in this league." In honor of Solder's unique match with the NFC North,hockey jersey creator, let's proceed with our three-question format, and add one more for good measure. On moving from tight end after his freshman season: Nate Solder: Some things came naturally. It takes a lot of athleticism to become a left tackle,nfl jerseys wholesale, same as a tight end. But some things didn't come natural — knee bend, using your hands, those sort of things. On his height: NS: I think the worry of being a taller guy is not being able to bend and the thing I've done to counteract that is to show I can bend, work on staying bent. Now, the advantages are you've got a lot bigger wingspan and it's a lot harder to run around you. On if he ever wanted to play basketball: NS: I was a decent basketball player,nike nfl cleats,1980 usa hockey jersey, I had much more potential at football,nike nfl deal, and that's kind of the way I was offered.
